

Government Affairs Committee

Subject: Urgent Update – AB3087

CalUCA leadership representatives Roger Hicks, MD, President of the California Urgent Care Association and Armando Samaniego, MD, Treasurer, attended the April 24th Assembly Health Committee hearing on AB3087. Despite the efforts of our organization and many others, the bill passed out of the committee and on to the Assembly Appropriations Committee. The Appropriations Committee hearing has not been scheduled, but this will be the next focus of efforts to defeat this bill.

Here is a link to Appropriations Committee members. <http://apro.assembly.ca.gov/membersstaff>
If any of these Assembly members represent you, or if you know any of them, please take a minute to send the letter of opposition found in the link below. If you aren't represented and don't know any committee members, please send your letter to the Chair, Lorena Gonzalez Fletcher, and Vice Chair, Frank Bigelow.

To find Your Legislators: <http://findyourrep.legislature.ca.gov/>

This link will download a customizable letter that you can use to voice your opposition to this action.
